

2017 AMERICAN SCHOOL & UNIVERSITY EDUCATIONAL INTERIORS SHOWCASE

CROW ISLAND SCHOOL CITATION

Frederick County Middle School—Winchester, Virginia

Stantec—Charlottesville, Virginia

“Great use of flexible furniture. The flexible design complements the natural daylighting, which makes the space open and airy. The learning stair and choice of materials support the overall project.” –2017 Jury

COLLEGIATE CITATION

Walsh College, Livernois Road Addition and Interior Renovation—Troy, Michigan

Valerio Dewalt Train Associates—Chicago, Illinois

“The Walsh College Student Center is an inspired design that has created an environment where students want to be. The space has a professorial air about it.” –2017 Jury

SPECIAL CITATION

The Goodwill Excel Center Adult Charter High School—Washington, District of Columbia

Little—Washington, District of Columbia

“Great use of color and graphics to make the space come alive. Great job opening up the structure to allow natural light to filter to the lower level.” –2017 Jury

Jonathan Dayton High School, Instructional Media Center—Springfield, New Jersey

DI Group Architecture—New Brunswick, New Jersey

“Stunning transformation! Love the variety of spaces and technology. Great job with lighting and graphics. The acoustical ceiling clouds are a great touch.” –2017 Jury

Western Michigan University, Heritage Hall—Kalamazoo, Michigan

TowerPinkster—Kalamazoo, Michigan

Associated Firms: Hopkins Burns, Christman Company, Prein&Newhof, Nehil-Sivak, Commtech Design

“Beautiful transformation of an underutilized building into a new alumni center. The selection of materials complemented the historical features of the facility.” –2017 Jury

GOLD CITATION

Kennedy Elementary School, Addition—Schiller Park, Illinois

DLA Architects, Ltd.—Itasca, Illinois

“Incorporating benches with the glass walls in the corridor created an open environment with views to the outside. The use of color, shapes, ample writing surfaces, and a variety of furniture make it a great learning environment.” –2017 Jury

Richard J. Lee Elementary School—Coppell, Texas

Stantec—Plano, Texas

“Very innovative learning spaces and cubes. The sculptural elevator design adds interest to the space and design. Congratulations on achieving LEED Gold certification.” –2017 Jury

Lake Zurich High School, Studio "C"—Lake Zurich, Illinois

DLA Architects, Ltd.—Itasca, Illinois

“Nice use of a variety of materials and colors. The lighting and daylighting really brighten the space. The variety of learning environments is great for all students to be able to find a spot where they are comfortable.” –2017 Jury

SILVER CITATION

Johns Hopkins University, The LaB—Baltimore, Maryland

Buell Kratzer Powell—Philadelphia, Pennsylvania

“Great use of an existing space that connects the old with the new.” –2017 Jury

Jordan Middle School, Additions and Remodeling—Jordan, Minnesota

DLR Group—Minneapolis, Minnesota

“Beautiful, smart use of space. The academic classroom pod is very open and the academic clusters provide gathering space for various sized groups.” –2017 Jury

University of Colorado, Denver, Comcast Media and Technology Center—Denver, Colorado

Architectural Workshop—Denver, Colorado

“What a great transformation of a dark theater into a bright, transparent, and useful lab space. Wonderful use of mixed materials, color and signage.” –2017 Jury

BRONZE CITATION

British International School of Houston—Houston, Texas

Fanning Howey + House Partners—Houston, Texas

“Great design! Love the way the design enhances transparency that connects students with the surrounding community.” –2017 Jury
