

Bryan Koehn

PRINCIPAL, DIRECTOR OF DESIGN
PROGRESSIVE AE

GRAND RAPIDS, MICH.

As the director of design, Bryan Koehn applies his experience, expertise and thought leadership to help clients drive performance. He works collaboratively with stakeholders to frame overarching business needs—aligning goals and objectives to create strategic spaces. Koehn manages the architectural design, interior design and engineering design groups; his primary responsibilities are leading clients through pre-design, development of conceptual approach, schematic design, design development, and design review.

Koehn received the American Institute of Architecture (AIA) Michigan's Young Architect of the Year Award in 2001, as well as over 40 design awards throughout his 30-year career. He received an Associates of Architectural Technology from Ferris State University; Bachelor of Architecture from Lawrence Technological University; and a Master of Architecture from the University of Michigan.

Kirstyn Bonneau

PARTNER
PBWS ARCHITECTS
PASADENA, CALIF

Kirstyn Bonneau joined PBWS in 2006 upon graduation from the University of Southern California School of Architecture. She focuses on educational, municipal, and non-profit facilities planning and design, often serving as a workshop leader and consensus-builder with user groups and public stakeholders.

As Partner, Bonneau addresses owner-level management duties with emphasis on client relations, business development, strategic planning, and staffing. She is a licensed architect in California, a LEED Accredited Professional, and a member of the National Council of Architectural Registration Boards (NCARB).

Perla Lane

DIRECTOR OF FACILITIES, PLANNING AND
CONSTRUCTION
ALDINE INDEPENDENT SCHOOL DISTRICT
HOUSTON, TEXAS

Perla Lane is the director of the Facilities, Planning and Construction Department for the Aldine Independent School District in Houston, Texas.

The district is the fifth-largest school district in the greater Houston area; it has nearly 70,000 students and more than 90 facilities. Lane is well-rounded and has over 25 years' experience across various industries: aviation, commercial (horizontal/vertical), industrial plants, oil and gas facilities, transportation (light rail), healthcare, government, retail, higher education and K-12 facilities. She received her Bachelor of Science, Architecture, from Prairie View A&M University and Master of Science, Construction Management from Polytechnic University, New York.

Lane is motivated and committed to high standards with a penchant for details to ensure successful and effective outcomes.

Jason Riordan

ASSOCIATE VICE PRESIDENT OF FACILITIES
OPERATIONS
ROCKHURST UNIVERSITY
KANSAS CITY, MO

Jason Riordan has been the Associate Vice President for Rockhurst University since January 2019. He is also a third-generation alumnus of the school and graduated with a degree in accounting and economics. Riordan has an extensive background in construction—13 years of experience in new store design and construction, and four years as a project manager for a local construction company.

He has lived in Kansas City his entire life and has a wife of eight years, a 5-year-old son and three dogs. ■
