## 2022 AMERICAN SCHOOL & UNIVERSITY EDUCATIONAL INTERIORS SHOWCASE

### CROW ISLAND SCHOOL CITATION

**Meridian High School—Falls Church, Virginia**  
Stantec—Arlington, Virginia  
Associated firms: Gilbane; Quinn Evans Architects

*“The building is rich with student-centric spaces that offer student choice and encourage collaborative interactions. The spaces have a high quality and aesthetic that is complemented by the materials, finishes and furnishings.”*

—2022 Jury

### COLLEGIATE CITATION

**Rutgers University, Alexander Library, Digital Learning Commons—New Brunswick, New Jersey**  
Spiegle Architectural Group, Inc.—Hamilton, New Jersey

*“Nice space planning that allows for seamless transition from individual study to group study. The furnishings and finishes create a dynamic environment that most likely energizes student interaction and experiences.”*

—2022 Jury

### SPECIAL CITATION

**After School Matters Wing of Gately Park—Chicago, Illinois**  
Eckenhoff Saunders—Chicago, Illinois  
Associated firms: McHugh/BOWA Joint Venture; Williams Architects

*“The quality and variety of spaces, and the quality of experiential graphics offer students agency and a variety of ways to foster community among their peers. The project extends the sphere of learning beyond the normal school facilities and hours.”*

—2022 Jury

## GOLD CITATIONS

### **Harpeth Hall, Bullard Bright IDEA Lab—Nashville, Tennessee**

Orcutt | Winslow—Nashville, Tennessee

*“Great conversion of existing space that was not serving the needs of the campus. The renovation transformed a dark gym into a bright, light and airy space with a feminine undertone.”*

–2022 Jury

### **New Washington Elementary School—Schiller Park, Illinois**

DLA Architects, Ltd.—Itasca, Illinois

Associated firms: WT Group; Pease Borst & Associates LLC; Berg Engineering Consultants, Ltd.; Edge Associates Inc.; Hamilton AV Design; Soundscape Engineering LLC; Hitchcock Design Group; Sam Schwartz Consulting, LLC; Schultz Squared Architects LLC

*“The project demonstrates a clarity of purpose. Good use of color and playful shapes...and a slide!”*

–2022 Jury

## SILVER CITATIONS

### **Benjamin Banneker Academic High School—Washington, District of Columbia**

Perkins Eastman DC—Washington, District of Columbia

Associated firm: Moody Nolan

*“The open tiered library spaces work well within this building structure. The clarity of organization is strong, and the narrative matches the imagery and aesthetic of an institution of higher education.”*

–2022 Jury

### **John Lewis Elementary School—Washington, District of Columbia**

Perkins Eastman DC—Washington, District of Columbia

*“It’s impressive that such beautifully designed spaces can also dramatically reduce energy and create one of the healthiest, highest-performing schools in the country.”*

–2022 Jury

## BRONZE CITATIONS

### **Capps Middle School—Warr Acres, Oklahoma**

LWPB Architecture—Oklahoma City, Oklahoma

Associated firms: DLR Group; Lingo Construction

*“An intriguing project. Appreciate the learning community approach. It works really well architecturally and as an interior space.”*

–2022 Jury

### **Redbud Elementary School—Round Rock, Texas**

PBK—Austin, Texas

*“Such a fun and inviting library space for the young learners to enjoy. A clear and fully executed concept based on natural motifs and connection to nature.”*

–2022 Jury
