

Q&A Pages in the August Educational Interiors Showcase

Showcase your insights, leadership, projects, and more.

American School & University is the publication for thought leaders shaping school and university facilities. The August 2022 Educational Interiors Showcase issue is the guidebook for those planning interior learning environments. Q&A pages are a unique, cost-effective way to show your expertise in this special magazine devoted to the best in educational interiors and facility planning. Includes:

- A full color page devoted to your company
- Three questions and answers to showcase your expertise
- Three images of your leadership and/or your work
- Company logo
- Contact information
- Free PDF of your Q&A Page and free copies of the Educational Interiors Showcase issue
- Great for architectural firms, interior designers, and design and building professionals who work with schools or universities
- Place your page by a project category or in an editorial section. Competition entrants can reserve the page next to their project page.

Don't miss this unique opportunity to spotlight your expertise. We work with you to customize your questions and design your page.

Deadline to Participate: July 11
