

# Q&A Pages in the Fall 2022 Architectural Portfolio Issue

## Showcase your insights, leadership, projects, and more.

*American School & University* is the publication for thought leaders shaping school and university facilities. The fall 2022 Architectural Portfolio issue is our annual competition and industry guidebook for administrators planning learning environments. Q&A pages are a unique, cost-effective way to show your expertise in this special magazine devoted to the best in education design and facility planning. Includes:

- A full color page devoted to your company
- Three questions and answers to showcase your expertise
- Three images of your leadership and/or your work
- Company logo
- Contact information
- Free PDF of your Q&A Page and free copies of the Architectural Portfolio issue
- Great for architectural firms, interior designers, landscape architects, and design and building professionals who work with schools or universities
- Place your page by a project category or in an editorial section. Competition entrants can reserve the page next to their project page.

*Bonus! Reserve a Q&A Page and receive American School & University's Education Bond Alert - an exclusive report with contacts for billions of dollars in just-passed capital expenditure funding that will be spent on construction and facilities.*

Don't miss this unique opportunity to spotlight your expertise. We work with you to customize your questions and design your page.
