

Educational Interiors Showcase

2023 AMERICAN SCHOOL & UNIVERSITY EDUCATIONAL INTERIORS SHOWCASE

CROW ISLAND SCHOOL CITATION

North Kansas City Schools Early Education Center—Gladstone, Missouri
DLR Group—Overland Park, Kansas

“Way to turn a vacant big-box store into an immersive environment for kids. A great adaptive reuse project; all early childhood education centers should strive toward this level of imagination.”
—2023 Jury

COLLEGIATE CITATION

Northeastern University—Charlotte, School of Nursing & Health Sciences—Charlotte, North Carolina
Little Diversified Architectural Consulting—Charlotte, North Carolina
Associated firms: AME Consulting Engineers, Thorburn Associates, Palacio Collaborative

“Beautiful space celebrating the energy and optimism of its students. Dynamic floor plan with a lovely balance of materials, textures and colors on the interior.”
—2023 Jury

SPECIAL CITATIONS

Burk-Bergman Boat House—Philadelphia, Pennsylvania
EwingCole—Philadelphia, Pennsylvania

“Very respectful to the original architecture. Good natural lighting and historical preservation; great ceilings and open space.”
—2023 Jury

Pacific High School CTE, Transportation and Advanced Technology Center—San Bernardino, California
San Bernardino City Unified School District—San Bernardino, California
Associated firms: Oakview Constructors, Ruhnau Clarke Architects

“A space to get kids excited to learn trades. Bright colors and architectural accents mimic machinery and equipment to form a seamless experience for end users.”
—2023 Jury

GOLD CITATION

**Knauss Center for Business Education—San Diego, California
Delaware—San Diego, California**
Associated firms: Perkins&Will

*"Cool ceilings, great natural light. The shades of blue and warmth of wood tones balance each other out really well."
—2023 Jury*

SILVER CITATION

Humble ISD Kingwood Middle School—Kingwood, Texas
Kirksey Architecture—Houston, Texas

*"I'd love to have lunch here. Love the use of light and color. The living forest concept in the cafeteria is spectacular."
—2023 Jury*

BRONZE CITATION

Boston Arts Academy, Boston, Massachusetts
Perkins Eastman—Boston, Massachusetts
Associated firms: Wilson Butler Architects

*"The balance of warmth and cool building materials are done quite nicely. The special details here are quite intentional and well done."
—2023 Jury*
