

Educational Interiors Showcase

2024 AMERICAN SCHOOL & UNIVERSITY EDUCATIONAL INTERIORS SHOWCASE

CROW ISLAND SCHOOL CITATION

Jefferson Early Learning Center—Houston, Texas
PBK—Houston, Texas

“Brilliantly fosters a sense of community through its thoughtfully organized villages and neighborhoods. Innovative approach to connecting to nature and establishing a sense of place....Playful spaces using bright colors.”
—2024 Jury

COLLEGIATE CITATION

Medical & Health Sciences Campus—West Des Moines, Iowa
RDG Planning & Design—Omaha, Nebraska
Associated firms: IMEG; KPFF; Stok, AV, NV5; Rippe Associates; Turner Construction

“Bright soaring public spaces. Incredible use of daylight. The building uses finishes exceptionally to create environments conducive to teaching and professional development.”
—2024 Jury

SPECIAL CITATIONS

Holdrum Middle School Wellness Center—River Vale, New Jersey
LAN Associates—Midland Park, New Jersey

“A variety of flexible spaces—the space is thoughtfully planned, from spatial organization to finishes and furniture, conveying a much-needed holistic vision for student well-being.”
—2024 Jury

Indian Springs High School Manufacturing Technology Center—San Bernardino, California
Ruhnau Clarke Architects—Riverside, California

“The equipment on display and use of bold colors give life to the spaces. Incredible branding and exposure to CTE. The demonstration courtyard provides a great space for making learning visible.”
—2024 Jury

Tufts Library—Weymouth, Massachusetts
Tappe Architects—Boston, Massachusetts

“Beautiful attention to scale and relationships between spaces; the project enables readers of all ages to co-exist in the same space. Love the indoor-outdoor connection; transparency and flow.”
—2024 Jury

GOLD CITATIONS

Sharon High School—Sharon, Massachusetts

Tappe Architects—Boston, Massachusetts

“Beautiful use of biophilic design; uses daylighting effectively. Close attention was paid to emotional well-being and not only academic success.”

–2024 Jury

UNC Kenan-Flagler Executive Business School—Charlotte, North Carolina

Little Diversified Architectural Consulting—Charlotte, North Carolina

Associated firms: Barrett Woodyard; Shelco Construction; JLL; PMC Furniture

“Attention paid to craftsmanship, and FF&E selection is commendable. The space created is truly inviting and inspiring for users to work in.”

–2024 Jury –2024 Jury

SILVER CITATION

Cypress-Fairbanks ISD Visual and Performing Arts Center—Cypress, Texas

PBK—Houston, Texas

“Visually stunning. A gorgeous performing arts space.”

–2024 Jury

BRONZE CITATIONS

Center Elementary School—Tewksbury, Massachusetts

Flansburgh Architects—Boston, Massachusetts

“Strong indoor-outdoor connection. The scalar relationships create environments that encourage simultaneous collaboration and individual work.”

–2024 Jury

Storm Lake Early Elementary School—Storm Lake, Iowa

DLR Group—Des Moines, Iowa

“The project showcases an in-depth understanding of how educational spaces can foster meaningful learning experiences for students of all ages. Impressive use of color and subtle age-appropriate nature motifs.”

–2024 Jury

The University of Texas at Austin, Hogg Memorial Auditorium—Austin, Texas

McKinney York Architects—Austin, Texas

Associated firms: Jacobs

“A thoughtful adaptive reuse approach for a community space. Creative balance of tradition with modern updates. Love the introduction of daylighting into this historic space.”

–2024 Jury
